PharmacyTrainer Order Form

How to use the Mail / Fax Order Form

1. Print this order form
2. Print your name and address clearly on the form. List your telephone number so we may contact you if there is any problem with your order. List your email address for free email notification of the shipment of your order.
3. Choose the program you wish to order. If it is not pre-printed on the order form, simply write the item number, price, and description from the web page onto the form.
4. Calculate the shipping charge from the gray box on page one. Packages shipped to AK or HI will be shipped via priority mail unless air delivery is selected and paid for. All other states will have their packages shipped via UPS or US Mail.
5. Calculate the total due for your order and select the method of payment.
6. Send the order to PharmacyTrainer!
